

Accelerating your business

Contract Manufacturing and Value Engineering Services for Precision Components

Who we are

NTS Precision is your partner for machined parts
Value Engineering, NPI, Industrialization and Series Manufacturing

**High Complexity
Products**

**Low / Medium
Volume**

**High mix of
product diversity**

- **Located in Eindhoven / Brainport on the NTS Campus**
- **State of the art machine shop with full 24/7 automation**
- **State of the art infrastructure with climate control +/- 1°**

State of the art machine park

In-House Eindhoven

5 / 3 Axes Milling

- 9 + 5 machines
- Robot automated

Product Handling Automation

- 2 BMO cells
- Product+pallet handling

Pallet Automation

- 2 Hermle robot cells
- 100+ pallets

Milling / Turning Combination

- 2 machines
- Bar feeders (BF)

Measuring

- 3 CMM machines

Equipment 5-axis

Hermle C40 (2x)
Hermle C42 (2x)
Hermle C32 (2x)
Bridgeport 630
Mikron710

Equipment 3-axis

Bridgeport 760 (2x)
Bridgeport 1500
Hermle C600
Feeler 1100

Automation

Hermle RS2 Robot (Pallet Handling)
Hermle RS2 Robot (Pallet Handling)
BMO Titanium180 (Pallet + Product Handling)
BMO Platinum (Product Handling)
Erowa (Pallet Handling)

BMO Platinum (Product Handling)

Equipment

Mazak Integrex 200SY (BF)
Hwacheon240 (BF)

Equipment

Mitutoyo 9166
Mitutoyo 9166
Mitutoyo 7106
Mitutoyo LH-600

Various other tools

NTS Precision – Investments

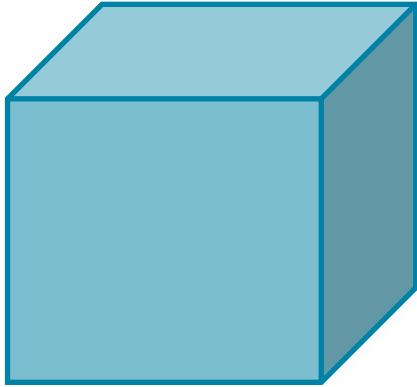

Investments & Roadmap

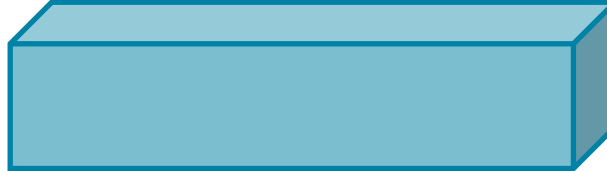

- **2017**
 - BMO Platinum Product handling automation
 - Bridgeport 630 5-Axis Machining
- **2018**
 - Hermle C42
 - Hermle C32
 - BMO Titanium 180i Product+Pallet handling automation
 - Brand new facility, climate controlled 20° +/- 1°
 - Additional Mitutoyo CMM
- **Scheduled 2019**
 - Additional Turning Milling Combination (Multitasking)
 - Automation for Multitasking

NTS Precision – Typical Dimensions

5-axis milling
Up to 800x800x550

3-axis milling
Up to 1500x700x600

Turning
Up to \varnothing 250
Bar feeder up to \varnothing 50

Our values

- We are ambitious and customer driven
- We have a passion for technology and are proud of what we achieve
- We show our craftsmanship
- We are committed and reliable
- We are transparent and fair
- We enjoy working together
- We are flexible and pragmatic when required
- We show a entrepreneurial attitude

Let's accelerate your business
